

Extra Credit Opportunity over Winter Break
Español II

You may write a postcard to me in Spanish and mail it to me for extra credit. The extra credit will be applied to the writing category. Please buy a postcard from wherever you go during vacation, even if that is Des Moines, or make me a postcard (that represents that place). As you write your postcard, be creative, but use the Spanish we know! Use recent and older vocabulary (from *Casi se muere*) and structures (ser & estar, stem-changers, two-verb construction, & the present progressive) from Spanish II. Your postcard must be at least ten sentences long. It must be postmarked by Tuesday, January 4, 2011. You may mail it during break from your vacation destination, or if you're going overseas or somewhere with a slow postal system, it will probably be faster to mail it when you return to Des Moines. Address the postcard to: Señora Baedke, 1923 56th St., Des Moines, IA 50310.
